Atlanta, Georgia, March 15, 2010 – CivilianJobs.com, where America's military connects with civilian careers, announced today that Spring-Green Lawn Care was named a finalist for the 2010 Most Valuable Employers (MVE) for Military™.

“I would like to express my appreciation to all of the companies who submitted Most Valuable Employers (MVE) for Military 2010 surveys,” said Bill Basnett, vice president operations, CivilianJobs.com. “Learning about the programs companies use to target, hire and retain military-experienced personnel is gratifying, especially discovering how veterans are helping make these companies more competitive in their respective markets.”

The Most Valuable Employers (MVE) for Military 2010 was open to all U.S.-based companies. The finalists were selected based on surveys in which employers outlined their 2010 recruiting, training and retention plans that best serve military service members and veterans. Winners will be selected from the pool of finalist companies and will be announced May 2, 2010. Both winners and finalists will be recognized on the CivilianJobs.com Web site as well as in the May issue of *Civilian Job News*, CivilianJobs.com's world-wide military base newspaper.
